Dept. of Electrical Engineering
Incheon National University

RESEARCH INTERESTS

Power electronics

- Wireless Power Transfer
- Electromagnetics
- Portable Devices, Electric Vehicle, Automatic Guided Vehicle

RF/analog circuit design

- Portable Devices
- Biomedical Applications

EDUCATION

Aug. 2024 (Exp.)	Ph.D.	Incheon National University (INU) in Electrical Engineering Advisor: Dr. Ahn Dukju
Aug. 2021	M.S.	Incheon National University (INU) in Electrical Engineering Advisor: Dr. Ahn Dukju GPA: 4.43/4.5
Nov. 2017	B.Sc.	Chittagong University of Engineering and Technology (CUET) in Electrical and Electronic Engineering GPA: 2.67/4

EXPERIENCES

Sept. 2019 – Present	Incheon National University, Incheon, Korea Graduate Research Assistant Analog RF Power Circuit Lab
Jan. 2018 – Aug. 2019	Pran-RFL Group, Dhaka, Bangladesh Assistant Engineer

PUBLICATIONS AND PATENTS (SELECTED)

Journals and Conferences

1. **Saidul Alam Chowdhury**; Sang-Won Kim; Seong-Min Kim; Jungick Moon; In-Kui Cho; Dukju Ahn, "Automatic Tuning Receiver for Improved Efficiency and EMI Suppression in Spread-Spectrum Wireless Power Transfer," *IEEE Trans. Industrial Electronics*, Jan 2023 (JCR Top 1.64%)
2. **Saidul Alam Chowdhury**; Om Prakash Bose; Quazi Delwar Hossain, "Design of a Two Stage CMOS Operational Amplifier in 100nm Technology with Low Offset Voltage," *2018 International Conference on Innovations in Science, Engineering and Technology (ICISSET)*, June. 2019

PROJECT EXPERIENCE (SELECTED)

- **At Incheon National University**

- LSK Vibration Reduction for Galaxy Smartphone and Smartwatch**

- Samsung Electronics

- Free Positioning Wireless Charger for Galaxy Watch and Galaxy Note 10**

- Samsung Electronics

- **At Electronics and Telecommunications Research Institute (ETRI)**

- 3.3 KW Spread-Spectrum demonstration for wireless charger**

- National Research Council

SKILLS

Software	LTspice, PSIM, ADS, Diptrace, Code Composer Studio, Ansys Maxwell-3D, Matlab, Microsoft Visio
HARDWARE	Power converters, PID controller, PCB fabrication, Switching devices, Microcontroller, Sensors, Coil fabrication, Measurement instruments: EHP-200A EMF Analyzer, Vector Network Analyzer, Digital LCR meter, Oscilloscope

AWARDS & SCHOLARSHIPS

Sep. 2021	Full Scholarship for Ph.D., Incheon National University
Sep. 2019	Full Scholarship for masters, Incheon National University
